

Dear Veteran Supporters:

We look forward to helping your business and our community.

For decades, AMVETS has been helping our veterans in our community. This outreach takes many forms that include professional advice for veterans on earned benefits to efforts on Capitol Hill to the work done by our hospital volunteers. Other AMVETS members are involved in initiatives aimed at contributing to the quality of life in our community.

Veteran service and community service drive the commitment we all have to make a difference in the lives of others.

We have partnered with GoYodel who provides a vehicle to help businesses grow their revenue and community outreach while helping AMVETS.

GoYodel enables your business to be promoted throughout the state to all members and supporters of AMVETS. You can see businesses to which we are driving revenue while helping AMVETS at WWW.SUPPORTAMVETS.COM

We will be sharing this site and your business throughout our extensive reach through our website, newsletters, and social sharing capabilities. We encourage businesses to join GoYodel, and help their business reach more than 500,000 buyers through the GoYodel Network, and directly help AMVETS.

Thank you for considering allowing us to help your business while helping AMVETS of Indiana support American Veterans in partnership with GoYodel Business Connect.

Please contact

Dan Kudrna, a veteran, whose team will onboard your business and start driving revenue and community outreach. His cellphone is 219-669-0214. His email is dkudrna@goyodel.com

Best Regards,
