SMC Kiwanis Club

Dear SMC Kiwanis Supporter:

As you know, the SMC Kiwanis Club is focused on supporting our Veterans in any way we can. Our goal is to continue to generate revenue that will be directed to a variety of Veteran related programs and activities.

We now have an exciting new way to support the SMC Kiwanis while also benefiting our business community. As is true of most non-profits, we are always looking for new and better ways to generate revenue used to support our life saving initiatives.

After reviewing many of the available options, we have selected the Go Yodel Business Connect platform. This innovative product allows us to connect supporting businesses with supporters and providers, helping our fundraising efforts year round, day and night in the following ways:

- The SMC Kiwanis Club receives a small % of every sale as a donation from quality local businesses when products, services, and events are purchased.
- Increases our ability to secure more donations for specific Veterans' programs.
- Provides a convenient place where our supporters can collaborate to benefit SMC Kiwanis Club.

The platform and network is first of its kind and simple to use, especially for those of us who are not as technically savvy as we would like to be. GoYodel provides a wide variety of support tools to make marketing efforts both professional looking. To view a short overview video, click here: www.goyodel.com/video

The SMC Kiwanis Club Community Offer page is set up so you can start promoting your business or purchasing by [clicking here](#). Our club is very excited about the ways this tool can increase awareness of our mission, bring value to our supporting businesses and help us generate significant new revenue for our expanding efforts for our Veterans.

If you would like to connect your business with the SMC Kiwanis Club, go to www.goyodel.com and click on the Register button. A GoYodel team member will be in touch to help you create your account and connect your business offers with other businesses and non-profit.

Sincerely,
Ron White
Club President
